

Training 4DHeart Bern, 3 July 8:00-12:00
Institute of Anatomy, Bühlstrasse 26 Room A 263.

Preparation: Bring a laptop with Imaris installed.

We will send you instructions to install Imaris by e-mail. Should you not receive our mail or for another reason not be able to bring a laptop with Imaris installed, please contact us.

(p.stroe@bitplane.com , peter@bitplane.com)

Agenda:

8:00 - 8:40 Paul presents basic Image Analysis with Imaris.

8:40 - 11:00 Hands On Self Organized Learning. We have prepared different tasks for you to solve in Imaris. The tasks range from basic to advanced with a focus on “object” segmentation extracting “numbers”. During this self organized learning Peter and Paul will be available to help and answer questions.

11:00 - 12:00 Comparison of results and Time for Questions.
