16:20 – 16:45	Elena Remacha (4DHeart)
16:45 – 17:00	Farewell
Evening	<u>Suggestion:</u> <i>Students decide on activity, CEM program will sponsor CHF 15 – 20 per participating student</i>

Presentations:

Each presenter has to select a chair from the pool of non-speakers and a different institute. The chair has to introduce the speaker, to mention the microscopy applied and to say one sentence about the research.

Presentations should last 15 minutes at the longest to give enough time for the introduction (about 3 minutes) and the discussion (about 10 minutes).
